From our President:

Here we are in a new year!! Hopefully all of you have had a blessed holiday season with family and friends. As you look back to 2024, what wonderful fiber adventures did you have? Did you learn a new skill or find added enjoyment in an old one?

My life coach posed a series of questions to us regarding the transition into 2025 and I would like to share them with you to consider from a fiber perspective.

- What brought you the most joy in 2025?
- What were your proudest fiber moments?
- What challenged you the most?
- Did I step out of my comfort zone and try a new fiber something?
- What fiber goals did I achieve?
- What am I most grateful for in my fiber world?
- How did I grow in 2024?
- Where do I want to go from a fiber perspective in 2025? (This last question is mine)

I am looking forward to great socialization and learning within our guild in 2025! Happy New Year!!!

Nancy

- I hope we get to do our weaving at the Pueblo Grande Museum in February. That is so much fun working with the children!

- **AUCTION:** At our February meeting we'll have both a live and silent auction. You might want to use the time between now and then to **sort through your stash and equipment** to clear out things you aren't using. Your trash could be someone else's treasure. We happily accept donations or you can sell at your own table and give the guild 15%. Last year's auction was both profitable and entertaining. Cash or credit card accepted.
